

6th Form Music Academy.

What is it?

An opportunity for 6th form students to further develop their interest in music

What do I do during the session?

There are 2 things – “something musical and something that is useful!” You choose what you would like to focus on – it could be practising your instrument, working with others as a band, composing in the studio..... as long as it is related to music and is useful – it will help you develop as a musician.

Are there any events?

There is always a 6th Form Music Academy Showcase evening. This is an informal event to showcase work done during Academy time. We have also performed and did instrumental demonstrations to primary schools and worked on House Music items.

What extra-curricular groups are there?

Clarinet and saxophone groups, choir, wind band, jazz band, various rock and pop bands, steel band. Anyone can get involved in these group. We also work with the Drama department on shows and events.

Why should I do it?

- You enjoy music
- You want to do something that gives you a break from your studies
- You want to learn or improve your performance skills
- You want to work in a group musical activity

How do I get more information?

Speak to either Mrs Graham or Mr Hyde in the Music Department or email: fay.graham@sjwms.org.uk
