

Task 3. Lesson 3. Record ideas, observations and insights relevant to intentions, reflecting critically on work and progress. Present a personal and meaningful response that realises intentions and, where appropriate, makes connections between visual and other elements.

Complete a potential outcome plan.
(A3)

Aim to sketch out the final outcome idea. Add annotation to support, making connections to the theme and the conclusion of your ideas.

Photographers should have a final potential image or a series of potential outcome images.
