

Sir Joseph Williamson's Mathematical School

A Member of The Williamson Trust
Acting CEO / Headteacher: Mr E Hodges

Dear Staff, Parents, Pupils, Governors, Trustees and Old Williamsonian's

I wrote to you all recently about the introduction of a 7th House, particularly the three shortlisted names to be put to a vote.

The school has been delighted with the number of responses we have received, and we are grateful to everyone who has taken the time to cast a vote. I have been very pleased to hear the enthusiastic debate and discussion generated by this exercise and the unifying effect it has had on all those who hold the school close to their hearts.

The purpose of this letter is to announce the result of the ballot and set out the next steps in the process of introducing the new House to our school.

The percentage of votes cast for each name is shown below.

Tower: 57.31%	Garrick 22.47%	Watts: 20.22%
---------------	----------------	---------------

I am therefore, very happy to formally announce that the name of the new House, a milestone event in the history of our proud school, will be TOWER. The choice of this name allows the school to re-form a House that existed from 1918 but was not revived after the Second World War.

We will now proceed to appointing a member of staff to be the Head of House, selecting senior students to serve as the House Captain and Deputies, choosing a House colour and emblem, and allocating students to Tower House in the manner I set out in my earlier correspondence.

I look forward to Tower House returning to the Math in September 2019.

Yours sincerely

Mr E Hodges
