Paper 3	21-23 minutes	72	30%	Speaking Part 1: Card Part 2: IRP

# Expectations

- Keep your folder neat and organised
- Do your homework weekly and revise for vocab tests, end of unit tests, etc.
- Use Dynamic learning for listenings and independent learning (log in to be given in September)
- Use Memrise/Quizlet in order to improve your vocabulary and sophisticated expressions
- Use grammar booklets to practise and master time tenses
- Make sure you know the film and play inside out

# Expectations

- Make an appointment to go to the language assistant lessons (weekly lesson that is compulsory... and 30% weight of your A-Level exam!)
- Work from day 1! Review what you have learnt after each lesson
- Think outside the box: be aware of what is going on in the Hispanic world by following Spanish newspapers on social media, watch Spanish films or tv, listen to Spanish music and, if possible, think in Spanish! The more Spanish you get, the better!

# Don't be overwhelmed!

- You are not on your own: ask for help when needed as the Spanish Department is always open for you 😊
- Create a good class atmosphere where you can all share resources and ideas
- Come to clinics if you do not understand something or you want extra practice
