

## L2.1 Lesson 2 Instructions for Literacy Skills in Physics

### Literacy

#### Objectives:

- Review numerical work from Lesson 1
- Use key words with precision
- Link ideas in written answers

#### Starter

Open the 'L2.2 Literacy Skills in Physics - 2 Rev C' pdf file and then try writing definitions for the terms/concepts on the first page. You should use the internet if you get stuck.

#### Main – 1

Now open 'L2.3 Literacy Skills in Physics -3 Rev C' and answer the tasks

#### Main – 3

Now open 'L2.4 Literacy Skills in Physics -4 Rev C' , watch the videos and answer the questions.

**Hand in a photo of all work (with your name and date and the title 'Physics Lesson 2 – Literacy' either via Google Classroom (for existing Math school students) or by email (for external students))**
