Dear Parent/Guardian

 smile.amazon.co.uk

I just wanted to make you aware that whilst shopping on Amazon you could also be raising funds for the school. By signing up with Amazon Smile, 0.5% of eligible purchases is then donated to charity.

Both the RMSA and the 1701 Society are registered as charities under Sir Joseph Williamson's Mathematical School and funds are used to benefit the school as follows:

*The RMSA is the Math School parent teacher organisation whose main aim is to raise funds to purchase items for pupils use, or support projects throughout the school. Items presented to the School by the RMSA in the past include a piano for the Music department, gym equipment and mountain bikes for the PE department, and digital cameras, TV and video equipment for the Art department, a subscription for Vocab Express in the Language Department and netball equipment.*

*The 1701 Society was founded in 2016 with the charitable objectives of raising money to support the education of the pupils at the school. Since then it has raised nearly £20,000 which has been put towards improving the facilities at the school. Projects supported to date are the refurbishment of the cricket nets and the school stage including sound and lighting.*
