

Sir Joseph Williamson's Mathematical School

Principal: Mr E Hodges

12th October 2020

Dear Parents / Guardians

I am writing to you in order to make you aware of a further positive Covid test among a member of the Year 13 cohort that is already isolating.

Due to the timing of this case and the fact that this student has already been isolating, no further action is required by any member of Year 13 or the school. Those students already isolating should continue to do so. Those year 13 students attending school should also continue to do so.

If you have any concerns please contact me at the school, or refer to the frequently asked questions sent with our communications last weekend.

Yours sincerely

E Hodges
