SIR JOSEPH WILLIAMSON'S MATHEMATICAL SCHOOL

INTRODUCTION

Hopefully this booklet will prove informative and helpful for both students and parents alike. Please read it carefully so that you are aware of the examination regulations and the procedures to follow in the event of any problems occurring.

The Joint Council for Qualifications sets down strict criteria for the conduct of examinations which must be followed precisely. You should therefore pay particular attention to the Notice to Candidates at the back of this hand book.

EXAMINATION INSTRUCTIONS FOR CANDIDATES

- All students must be available for the scheduled exam season up to and including 24th June 2020 – this date has been added as a contingency date by JCQ should there be any serious issues that cause a delay for any exams.
- Each candidate has a four-digit candidate number which you will find on your timetable. This is the number you will need to enter on all examination papers. It will appear next to your name on seating plans and examination registers. PLEASE LEARN IT.
- School uniform must be adhered to during your exams.
- Please ensure you allow plenty of time to get to school just in case you are delayed en route for any reason. You must be in school at least 20 minutes before the start of your exam and outside the exam room 10 minutes before.
- If you miss an exam you will not be able to take it at a later time/date in the same exam season. If you cannot take an exam due to illness you must telephone the school immediately and leave a message for the Examinations Administrator. You must provide a medical certificate from your doctor.
- Generally, all exams are taking place in the **Sports Hall**, please check your timetable for the exact location and remember your seat number for each exam.
- Make sure you know exactly when and where your exams are – especially whether they are in the morning or afternoon. Generally morning exams will start at 9:00am and afternoon exams at 1:30pm (unless otherwise stated). All exam dates and times can be found on your final timetable.
- To avoid confusion and congestion when you enter the exam room it is imperative you know exactly where you are sitting. Seating plans will be posted outside of the exam room. It is essential that you sit in the correct seat to ensure you receive the correct exam paper.
- Bags and other personal belongings (including phones) are not allowed into the exam room so do not bring them with you.

- Any wrist watches **MUST** be placed on the desk before the start of the exam. Invigilators will be checking.
- You must wait quietly outside your exam room. Once inside the room, exam conditions apply – you must be silent and no communication is allowed between students. Anyone communicating with another student could be thought to be cheating and could be reported for malpractice. This could result in disqualification. You must remain silent until you have left the exam room. If you need to talk to an invigilator you must raise your hand and they will attend to you.
- You are allowed to bring a **CLEAR** plastic bottle of **WATER** (with the label removed) into the exam room. No other food or drink is allowed unless previously agreed by the Examinations Administrator on medical grounds.
- Pens must be **BLACK** ink or ballpoint – no other colour is allowed.
- For Mathematics and Science exams students must make sure their calculators conform to examination regulations. If in doubt check with your teacher. Make sure the batteries are new and memories are cleared. Calculator covers must not be taken into the exam room.
- Listen carefully to instructions and notices read out by the invigilator – there may be amendments to the exam paper that you need to know about.
- Check you have the correct question paper – check the subject, paper and tier of entry.
- Read all instructions carefully.
- Candidates must stay in the exam room for the duration of the exam – you will not be allowed to leave early. If you have finished the paper use any time remaining to check over your answers and that you have completed your details correctly.
- Toilet breaks are not permitted for any exams 60 minutes or less; please ensure you use the facilities before entering the exam room. Exams lasting over 60 minutes will not permit breaks in the first 60 minutes or the last 10 minutes.
You will not be required to wear your blazer if leaving the exam room.

- At the end of the exam all work must be handed in – remember to cross through any rough work that you do not want to be marked. If you have used extra answer sheets, ensure they are numbered in the correct order and has your name on every page.
- Invigilators will collect the exam papers after you leave the room.
- Question papers or any exam stationery must NOT be taken from the exam room.
- You must remain seated, in silence, facing the front until told to leave the room. Please leave in silence and show consideration for other candidates who may still be working.
