Dear Parent

Further to your son/daughter showing an interest in taking singing lessons, I would like to offer your son/daughter lessons through the Math Music Academy and I have attached a copy of the current tariffs for your reference. There is the option for 20 or 30 minute lessons.

If after reading the conditions on the next page you would like to proceed with your child's application for lessons please detach and complete the slip at the bottom of the page and return as soon as possible to the office at Tunbury School.

Upon receipt of the slip you will be contacted to inform you of the date and time of your child's first lesson. **Please note this may on occasions take a week to ten days to arrange, as the relevant teacher needs to be consulted.**

If you have any queries at all please do not hesitate to contact me direct on 07860 505693.

May I take this opportunity of thanking you for your interest in this valuable part of your child's education.

Please note your lessons will take place at Tunbury School.

Yours sincerely

Phill Hyde
Head of Instrumental Studies
