**AGREEMENT FOR MUSIC TUITION AND THE HIRE OF A MUSICAL INSTRUMENT**  
**AT THE MATH MUSIC ACADEMY**

**Standard Conditions** (Please read carefully before signing)

1. Tuition will be given in courses of ten weekly lessons. A course will often begin differently to the school calendar term since some terms are sufficiently long to accommodate more than ten lessons.
2. The first term's fees are payable upon invoice directly to the music tutor and no later than the second lesson in each course of ten lessons.
3. Please note you will NOT be required to complete an application form on a termly or annual basis. Lessons will continue until you cancel.
4. Notice to discontinue lessons must be given **IN WRITING** to the music tutor at least **FIVE** lessons before the termination date and failure on the part of the student or the signatory to this form will render the same liable for a **FURTHER** five lessons (i.e. 10 lessons in total). Teachers may also give notice to students under the same conditions.
5. Lessons missed through the student's non-attendance will be charged for, unless the circumstances warrant a special concession at the discretion of the teacher. A lesson may be cancelled by the teacher but in such circumstances the teacher shall be responsible for ensuring that the student receives the full 10 lessons for the session, refund the appropriate fee or arrange for another suitably qualified and competent teacher replacement (subject to agreement by the school)
6. Notice of increase in fees will be given in writing prior to the beginning of the term in which the increase will take effect.
7. All music books and examination fees will be paid for by the student/parent. No examination entry will be made without prior notification.
8. Instruments are hired on the understanding that any damage or loss by the hirer will be repaired or replaced and the cost charged to the hirer.
9. The invoice for hiring a musical instrument must be paid by the deadline date. Information on how to pay is at the bottom of the invoice. If the instrument is returned during the term the fees will still need to be paid for that term.
